**MEETING @ 6:30 PM in the**  
**meeting room at D&S**  
**Cafeteria**

Much of this meeting was used to make final plans for the 2018 Capital City BikeFest. However, John Bentley brought a guess, Stanley Young, who gave us an update on his relief efforts in Africa. He and his wife sponsor an orphanage and help build suitable houses for the people. Stanley's wife is currently in Africa giving hands on support to the effort. Hopefully when she returns, we can ask her to stop by and let us know the latest information about this wonderful undertaking.
