Dr. Billy Dunlap

A longtime Raleigh resident, Dr Dunlap is a 1957 graduate of Broughton High School, 1961 undergraduate from UNC, a Duke Medical School graduate in 1965. He went to Medical College of Virginia for his Internal Medicine Internship and Residency. In 1978, Billy co-founded Hospice of Wake County. In 2012 the new hospice home was named the William Dunlap Center.

Hope you didn't miss this. It was a very interesting and informative presentation.

Also discussed at the meeting was the possibility of purchasing flood buckets for the flood victims. These buckets are cleaning kits that go to folks who are entering their house for the first time after flooding. Our 6 buckets were delivered to Macedonia United Methodist Church on October 7 and will be taken to MERCI Center warehouse in Goldsboro, NC

Exchangites,

Thanks for making our Big Breakfast on Saturday such a success. We had a few minor challenges, but we managed to rise above them as we always do. Here are the numbers: 15 members contributed approximately 100 hours of labor

Served 91 adults, 5 children

Gross receipts	\$959.00
Expenses	\$310.69
Net income	\$648.31

Again, thanks for your help. Once again, our teamwork paid off!
