The 200 Club of Wake

A few of us were lucky to get to attend a meeting of The 200 Club of Wake County. The 200 Club of Wake County is an organization of concerned citizens dedicated to supporting First Responders living or working in Wake County. The primary mission of The 200 Club is providing immediate financial help for the families of First Responders who lose their lives in the line of duty. In addition, members of The 200 Club want our First Responders to know that the citizens of Wake County support them for the risks they take and protection they provide, every shift of every day
